

Field Visit to Hastkala Handicraft Fair

25th July, 2019

The students of S.Y. & T.Y. B.Sc. (General Home Science) visited “Monsoon Hastkala Melo” an event organized by IC- Index- C in Surat at Science Centre, City Light, Surat as a part of field visit. In this event, Entrepreneurs from different states of India displayed various handicrafts at their individual stalls with their exclusive and traditional articles. The live demonstrations of various handicraft products enhanced the skills of the students. Highlights of the fair were the following:

1. Imitation jewellery
2. Statues of various Gods, like lord Krishna, Ganesha etc.
3. Traditional wear Garments like chania choli
4. Handmade shoes, belts, slippers, traditional sandals etc.
5. Seasonal rakhi and many more items etc.

Overall it was a great experience for the students where they can polish their entrepreneurial skills.
