

Quiz on Intelligence

On 29th July, 2019 a quiz was organized by the Department of Psychology on 'Intelligence' in the psychology lab. Students of T.Y. B.A. had participated in this quiz.

Five teams of 2 participants each were formed for the quiz. The questions covered in the quiz were history of intelligence, what is intelligence, what is IQ, who gave the concept of IQ, what are the different types of intelligence tests, etc. The students participated enthusiastically. At the end of the quiz one team was declared the winner.

The students gave positive response and also requested for more quizzes.
