

STATISTICS COMPETITION – LETS'S SUM IT UP!

On October 18th, 2019 an exciting and fun activity named "Statistic competition, let's sum it up!" was conducted by the Department of Psychology for educating students about statistics in a lively manner.

The activity was organised in the psychology lab and was hosted by Ms. Ria Nadkarni. All the 14 participants were divided into 2 teams of 7 members each. It was a statistical relay competition that began at 11:10 am. There were total of 9 rounds which includes 2 bonus rounds. The participants of both the teams showed great enthusiasm and were full of competitive spirit.

The students reported that their overall experience of the activity was enlightening, helping them further in regards to their studies.
